Product Description

With this terminal block adapter from Delock, stranded wires with stripped ends can be connected. This makes the adapter suitable not only for special industrial applications, but can also be used in the hobby sector, such as railway modelling. Various devices with a suitable DC power connection can be connected to the adapter and supplied with power individually (depending on the requirements of the device).

- Connections: 1x DC 1.35 x 3.5 mm socket, 1x 2 pin terminal block
- Positive pole inside, negative pole outside
- Grid dimension: 5.00 mm
