

Item no.: 367077

20725 - Cable protection conduit with button closure heat-resistant 2 m x 10 mm grey / black

from **4,63 EUR**

Item no.: 367077
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This cable conduit from Delock is suitable for bundling exposed cables, electrical cables or wires to protect them from dirt or damage.

The button closure allows multiple addition and removal of cables by opening and closing the cable conduit.

The cable conduit is characterised by its high abrasion resistance, flexibility and heat resistance.
