

Item no.: 367089

20872 - Fabric hose self-closing heat-resistant 5 m x 10 mm yellow

from **8,81 EUR**

Item no.: 367089
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This fabric sleeve from Delock is suitable for bundling exposed cables, electrical lines or wires to protect them from soiling or damage. It consists of special continuous fibres (monofilament and multifilament) and thus offers increased flame resistance and abrasion resistance.

The fabric sleeve closes automatically after the cables are added. The cables can be added or removed several times.

The length can be shortened individually with the help of a hot cutter.

- Length: approx. 5 m
- Diameter: approx. 10 mm
- Bundle diameter: max. 12 mm
- Ambient temperature: -50°C ~ 150°C
- Reusable
- Material: Polyester monofilament and multifilament
- Fire resistance class: 94V-2
- Colour: Yellow
