shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This cable from Delock is used to connect USB devices such as memory sticks to the micro USB socket of a mobile device. Thanks to a wire integrated in the cable, the ShapeCable can be bent into any shape and retains this shape. This can be used to bring the OTG device into an optimal position.

NoteThe cable is only suitable as an extension for OTG devices; it is not possible to extend data cables.
