## 65680 - Adapter HDMI-A socket >USB type-A plug black

**5,19 EUR**

Item no.: SC-2310-0513-1732  
shipping weight: 0.10 kg  
Manufacturer: Delock

### Product Description

This adapter from Delock is used to convert a passive MHL cable into a USB cable. This allows the existing MHL cable to be used as a USB data and charging cable. Thus, only one cable is needed.

Note: Not suitable for connection to standard HDMI cables.

#### Specification

- Connectors: 1x High Speed HDMI-A 19 Pin female > 1x USB 2.0 Type-A male
- Supports all MHL versions
- Only suitable for passive MHL cables without additional power connection
- Colour: black
- Dimensions (LxWxH): approx. 23.4 x 16.6 x 6.8 mm
- OS independent, no driver installation required

#### System requirements

- Passive MHL cable with HDMI-A connector

#### Package contents

- HDMI to USB adapter

#### Packaging

- Retail Box
