from **9,11 EUR**

Item no.: 367047
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

These cable markers from Delock are used to mark and distinguish between different cables. They can be easily attached to any cable with a diameter of 4 to 5 mm. The handy dispenser box is ideal for transport and enables clear and tidy storage. The cable markers thus remain free of dirt and dust. In addition, easy unrolling and individual cutting is possible.
