

Item no.: SC-2310-1915-1531

65680 - Adapter HDMI-A socket >USB type-A plug black

4,99 EUR

Item no.: SC-2310-1915-1531
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This adapter from Delock is used to convert a passive MHL cable into a USB cable. This allows the existing MHL cable to be used as a USB data and charging cable. Thus, only one cable is needed.

Note: Not suitable for connection to standard HDMI cables.

Specification

- Connectors: 1x High Speed HDMI-A 19 Pin female > 1x USB 2.0 Type-A male
- Supports all MHL versions
- Only suitable for passive MHL cables without additional power connection
- Colour: black
- Dimensions (LxWxH): approx. 23.4 x 16.6 x 6.8 mm
- OS independent, no driver installation required

System requirements

- Passive MHL cable with HDMI-A connector

Package contents

- HDMI to USB adapter

Packaging

- Retail Box
