from **20,51 EUR**

Item no.: 367069
shipping weight: 0.30 kg
Manufacturer: Delock

Product Description

This fabric hose from Delock is suitable for bundling exposed cables, electrical lines or wires to protect them from soiling or damage. It is made of special continuous fibres (multifilament) and thus offers increased flame resistance and abrasion resistance. Velcro fastener The Velcro fastener allows the fabric sleeve to be opened and closed several times. The cables can be added or removed several times. Cutable The length can be shortened individually with the help of a hot cutter.

- Length: approx. 5 m- Diameter: approx. 30 mm- Ambient temperature: -50 °C ~ 150 °C- Reusable- Material: Polyester multifilament- Fire resistance class: VW-1- Colour: black
