

Item no.: 356490

VIGI 8 Channel Network Video Recorder

from **113,88 EUR**

Item no.: 356490
shipping weight: 1.20 kg
Manufacturer: TP-LINK

Product Description

- Continuous recording 24/7: Automatically stores up to 10 TB of footage from connected cameras to back up your data for quick and convenient access
- 8-channel real-time live view: Sharp image resolution up to 5 MP and an 8-channel display ensure you capture every detail from every angle
- Simultaneous playback: Play back footage from up to 4 cameras† simultaneously, increase playback speed and search for events in the video programme to easily review footage
- Remote monitoring: The dedicated VIGI app is designed for remote monitoring and allows for easy and convenient monitoring
- H.265+: Without consuming additional bandwidth, the camera transmits compressed, crystal-clear video to save storage space, reduce network load and lower surveillance costs without compromising image quality
- Ensure ONVIF compatibility: Accessible compatibility lets you easily add IPCs from VIGI and other brands to build a powerful and diverse network
- 1 HDD interface (up to 10 TB): Store up to 10 TB (720 days* of video) on a SATA hard disk and back up your data locally
- Two-way audio: Intercom support lets you have two-way conversations while viewing your footage from anywhere. Suitable for management
- 80 Mbps video access bandwidth: The high video access bandwidth ensures that your NVR can connect more cameras with high resolution. Based on lab tests with VIGI cameras, the VIGI NVR can connect up to eight 4MP cameras

NETWORK

- Protocol TCP/IP, DHCP, DNS, NTP, UPnP
- Incoming bandwidth 80 Mbit/s
- Outgoing bandwidth 60 Mbit/s

GENERAL

- Package contents: VIGI Network Video Recorder Power Supply; HDD; Screws; Mouse Quick Installation Guide
- Operating temperature -10-55 °C
- Dimensions (H*W*D) 246.2 x 148.2 x 45 mm
- Weight 578.5 g
- External power supply DC 12 V/1.5 A
- Power consumption 4.25 W (without hard disk)

VIDEO/PICTURE

- Video input 8-channel IP video input, up to 5 MP resolution
- Video output capture resolution: 5 MP/ 4 MP/3 MP/1080p/UXGA /720p/VGA/4CIF/DCIF/2CIF/CIF/QCIF
- HDMI/VGA output resolution: 1920 x 1080p/60 Hz, 1280 x 1024/60 Hz, 1280 x 720 /60 Hz, 1680 x 1050/60 Hz, 1440 x 900/60 Hz

FIXED DISPLAY

- STD 1 SATA interface
- Capacity Up to 10 TB

INTERFACES

- Ethernet interface 1 RJ-45 10/100 Mbps self-adjusting Ethernet interface
- USB interface 2x USB 2.0
