

Item no.: 372375

20924 - HDMI port blocker set for HDMI sockets 4 pieces + locking tool

from **14,92 EUR**

Item no.: 372375
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

With the HDMI Port Blocker Set by Delock, HDMI sockets can be secured against unauthorised access. The port blockers housed inside the tool are placed on the tip, pushed into the HDMI port and block the HDMI socket. A total of 4 HDMI ports can be blocked with the set. Access to the socket via cables or similar is then no longer possible. The enclosed tool is required to release the lock. Practical design with eyelet. The shape of the tool is reminiscent of a USB stick and the eyelet at the rear end makes it possible to attach the port blocker to a bunch of keys, for example.

Specification- Suitable for all standard HDMI sockets- Colour of tool: grey- Colour of HDMI port blocker: blue- Tool dimensions (LxWxH): approx. 69 x 19 x 12 mm
System requirements- One free HDMI socket
Package contents- 4 x HDMI port blockers- 1 x locking tool
