

Item no.: 373226

## 20911 - Fabric tape 25 m x 25 mm tearable self-adhesive black

from **8,81 EUR**

Item no.: 373226  
shipping weight: 0.10 kg  
Manufacturer: Delock

### Product Description

This fabric tape by Delock is ideal for insulating electrical cables and wrapping cable harnesses, e.g. in the automotive sector. High flexibility and tearable. The tape is made of flexible fibre material and can be easily torn off by hand, making it ideal for small and quick repairs. The protective fabric material also offers optimum temperature and corrosion resistance. Can be cut. The length of the tape can also be shortened individually using scissors.
