from **36,58 EUR**

Item no.: 373191
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

With this adapter by Delock, a USB Type-C™ (DisplayPort Alternate Mode) monitor can be connected to a free HDMI port of a PC or notebook. Ideal for portable USB-C™ monitor. The adapter enables the connection of a portable monitor to an HDMI port and simultaneously supplies power to the monitor. All you need to do is connect a power supply unit to the adapter that matches the input power of the monitor. USB Power Delivery (USB PD 3.0) support up to 100 watts. The adapter has a USB Type-C™ Power Delivery port. If a power supply unit is connected to this port, the device connected to the USB-C™ plug is charged with up to 100 watts during operation.
