

Item no.: 372423

60341 - Cable gland with strain relief PG9 black

from **1,27 EUR**

Item no.: 372423
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This cable gland by Delock provides a watertight seal to the housing for the feed-through of cables and electrical lines. Additional protection through strain relief. Thanks to the anti-kink spiral, the flexible cables are secured and protected against excessive bending, e.g. in moving machine parts. IP68 dust and waterproof. The cable gland also offers increased protection against dirt and moisture. For example, with moving machine parts. IP68 dust and waterproof. The cable gland also offers increased protection against dirt and moisture. Versatile. The robust design is ideal for use in automation, the robotics industry and machine systems.

Specification- Thread size: PG9- Thread length: 8 mm- Width across flats: 19 mm- Protection class: IP68- Cable diameter: min.: 4 mm max. 8 mm- Operating temperature: -40 °C ~ 100 °C- Material: plastic- Colour: black RAL9005 Package contents- Cable gland Packaging- Resealable bag
