

Item no.: 373193

## 63921 - Slot bracket 1 x eSATApd 5 V / 12 V

from **12,40 EUR**

Item no.: 373193  
shipping weight: 0.10 kg  
Manufacturer: Delock

### Product Description

With this slot bracket by Delock an external Power Over eSATA port can be added to a PC. Thus, various devices with eSATApd, eSATAp, eSATA or standard USB interface can be connected. The eSATApd port has a power supply of 5 V or 12 V, so that with the help of special Delock products such as eSATApd cables, 2.5" and 3.5" hard drives can also be connected to this interface. The enclosed cables are used for the internal connection.
