Product Description

This premium set from Delock combines everything that makes an optimal companion and simplifies everyday office, university or school life. The protective case contains a 4K docking station with various USB ports as well as an SD and Micro SD card slot. The whole thing is completed by a 30 cm long USB charging cable with Lightning™, USB Micro-B or USB Type-C™ connection and a memory stick with 64 GB capacity, on which there is space for data, photos, music and videos.

The material of the case is water-repellent and also protects the contents from light impacts thanks to the hard shell.

For the shower, the set includes a bottle opener and two silicone corks.
