

Item no.: 362103

62661 - USB 3.0 dual docking station for 2 x SATA HDD / SSD with clone function, black

from **56,10 EUR**

Item no.: 362103
shipping weight: 1.00 kg
Manufacturer: Delock

Product Description

This HDD / SSD docking station from Delock is used for the external connection of two 2.5" or 3.5" SATA HDDs / SSDs via the USB interface. This solution means that no external housing is required, as the HDD / SSD is inserted directly into the docking station. In addition, the clone function allows the contents of the hard disk to be copied from one hard disk to another without using a PC.

Specification
