### Product Description

This patch panel by Delock is suitable for installation in a 19" network cabinet. Neat cable routing The network cables are simply routed from the front to the back, thus the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression. Removable cover for optimum cable management The removable cover on the front conceals open cables and protects them from damage. Horizontal openings The patch panel is equipped with two openings at the rear to allow easy cable access.
