Product Description

This surface-mounted housing by Delock enables the surface mounting of Easy 45 modules. The housing is made of sturdy plastic and therefore offers optimum protection for the electrical installation. Cable entry is possible both from the side and through the rear. Easy 45 connects Easy 45 is a variable, modular system that allows you to combine components such as sockets, HDMI or USB connections according to your own requirements. The Easy 45 modules are standardised and can be installed in various module supports or trunking. Easy 45 forms the interface between electrical, network and system installations and numerous peripheral devices, such as TVs, monitors, printers, notebooks and many more.
