Product Description

This brush strip by Delock is suitable for installation in a 19" network cabinet. Neat cable routing: The cables are simply routed from the front to the rear, thus the cables inside the network cabinet are not visible and the network cabinet leaves a clean overall impression. Cable fastening for optimum cable management: The cables can be fixed to the rear of the brush strip to enable clear and organised cable routing. Protection against foreign bodies: The nylon brushes included prevent the ingress of dust and dirt.
