from **2,17 EUR**

Item no.: 372547
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This Easy 45 module by Delock provides three cinch sockets. Thanks to the simple snap-in mechanism, the module sits firmly in place and can be easily removed if required. An existing network cable, for example, can be connected to the RJ45 socket and extended. Easy 45 connects Easy 45 is a variable, modular system that allows you to combine components such as sockets, HDMI or USB connections according to your own requirements. The Easy 45 modules are standardised and can be installed in various module supports or trunking. Easy 45 forms the interface between electrical, network and system installations and many peripheral devices, such as TVs, monitors, printers, notebooks and much more. Note The module does not integrate into the existing network. The cinch connection can be extended or connected using a network cable.
