

Item no.: 372890

81370 - Easy 45 Module cover plate hole cut-out M8, 45 x 22.5 mm 10 pieces white**from 3,36 EUR**Item no.: 372890
shipping weight: 0.10 kg
Manufacturer: Delock**Product Description**

This module cover by Delock provides a hole cut-out of 8.2 mm. Thanks to the simple snap-in mechanism, the cover sits firmly in place and can be easily replaced if necessary. This module cover was designed to accommodate various connectors with an M8 external thread. For example, optionally available DC sockets can be mounted. The low material thickness of just 1.5 mm offers sufficient strength while requiring little space for installation. Easy 45 connects Easy 45 is a variable, modular system that allows components such as sockets, HDMI or USB connections to be combined according to individual requirements. The Easy 45 modules are standardised and can be installed in various module supports or trunking. Easy 45 forms the interface between electrical, network and system installations and numerous peripheral devices, such as TVs, monitors, printers, notebooks and many more.
