from **8,05 EUR**

Item no.: 372892
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This power supply cable by Delock is used to supply power to devices with an existing DC socket. Thanks to the simple snap-in mechanism, the module sits firmly in place and can be easily removed if required. Flexible The power supply cable can be pulled out in six stages and thus offers different cable lengths depending on requirements. When the cable is not needed, it is neatly rolled up and stowed away. Easy 45 connects Easy 45 is a variable, modular system that allows you to combine components such as sockets, HDMI or USB connections according to your own requirements. The Easy 45 modules are standardised and can be installed in various module supports or trunking. Easy 45 forms the interface between electrical, network and system installations and numerous peripheral devices, such as TVs, monitors, printers, notebooks and many more.
