from **168,62 EUR**

Item no.: 337040
shipping weight: 0.60 kg
Manufacturer: GSM Activate

Product Description

The GSM Electric Gate Opener (240 V) incorporates a professional industrial grade GSM engine. This GSM technology receives calls at its SIM number, as any ordinary GSM phone.

For example: If your SIM number is 07123 456789, this is what you call to open the gate. The GSM Gate Opener (240 V) also has a memory capacity of up to fifty numbers. The Gate Opener (240 V) has worldwide capabilities. It operates using quadband frequency as well as connecting to either the 4G network.

- IP65 rated enclosure – ideal for inside or outside instalations
- Simply dial the simcard within the unit to open your electric gates/garage doors
- Text for pedestrian access or to keep gate open
- You can plug straight into your mains
- Sim Active function
- Tested in high heat and freezing weather conditions
- Dimension: L150 x W90 x D45 mm
- Quadband frequency 850, 900, 1800, 1900 MHz
