Product Description

This brush strip by Delock is suitable for installation in a 10? network cabinet. Neat cable routing The cables are simply routed from the front to the back, so that the cables inside the network cabinet are not visible and the network cabinet leaves a clean overall impression. Cable fastening for optimum cable management The cables can be fixed to the rear of the brush strip to enable clear and organised cable routing. Protection against foreign bodies The nylon brushes included prevent the ingress of dust and dirt.
