Product Description

This brush strip by Delock is suitable for installation in a 19" network cabinet. Neat cable routing: The network cables are simply routed from the front to the back, thus the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression. Cable guide brackets for optimum cable management: The sturdy cable guide brackets allow patch cables to be laid horizontally in an organised manner. Protection against foreign bodies: The nylon brushes included prevent the ingress of dust and dirt.
