from **14,77 EUR**

Item no.: 374550
shipping weight: 0.40 kg
Manufacturer: Delock

Product Description

This brush strip by Delock is suitable for installation in a 19? network cabinet. With cable holderThe panel is equipped with a holder on the back to fix the cables and to enable a clear and tidy sorting. Installation without toolsThe special feature of this brush strip is that no tools are required for installation in a network enclosure. The integrated fastening clips can simply be pushed outwards, locking the panel in place.Neat cable routingThe cables are simply routed from the front to the rear, preventing the cables from being visible inside the network enclosure and giving the network enclosure a clean overall appearance.Protection against foreign objectsThe nylon brushes included prevent dust and dirt from entering.
