from **34,64 EUR**

Item no.: 373451
shipping weight: 0.20 kg
Manufacturer: Navilock

Product Description

With this notebook lock from Navilock, various devices such as notebooks, projectors, monitors etc. can be secured at any location. The 2 m long steel cable with key lock can be easily tied around objects such as a table leg, chair or similar and thus secures the device against theft. Interchangeable locking cylinders The special feature of this security cable is the three locking heads supplied. These can be replaced by simply plugging them on and can be exchanged as required. The three most common lock variants Kensington Slot (3 x 7 mm), Noble Wedge Slot (3.2 x 4.5 mm) and Nano Slot (2.5 x 6 mm) can be secured with this security cable. The small design of the lock makes this security cable ideal for narrow netbooks. Locking the lock without a key The special mechanism of the laptop lock makes it possible to lock the lock without a key. The matching key is only required for unlocking.
