from **12,97 EUR**

Item no.: 373505  
shipping weight: 0.20 kg  
Manufacturer: Delock

### Product Description

With this notebook lock from Navilock, various models of the Microsoft Surface series can be secured at any location. The 1.8 metre long steel cable with key lock can be easily tied around objects such as a table leg, chair or similar, thus securing the device against theft. The swivelling joint makes it easy to attach the lock. Carbon steel The carbon steel cable with protective plastic sheathing is characterised by a particularly high level of cut and theft protection and, at just 138 grams and a length of 1.8 m, offers optimum freedom of movement. Locking the lock without a key The special mechanism allows the lock to be locked without a key. The matching key is only required for unlocking. Note The security cable is compatible with the series Microsoft Surface Pro / Pro2 / Pro3 / Pro4 / Pro5 / Pro6 & Go
