

Item no.: 373585

66649 - Brush strip 20 mm with straight aluminium profile - length 1 m

from **19,25 EUR**

Item no.: 373585
shipping weight: 0.30 kg
Manufacturer: Delock

Product Description

This brush strip by Delock can be used to seal doors, windows, gates or roller shutter boxes. The flexible brushes prevent the ingress of dust and dirt and keep draughts out. The brush seal can be attached by screw mounting with a mounting adhesive or double-sided adhesive tape. The aluminium retaining profile is cut to the required length using a metal saw.
