

Item no.: 373614

66651 - Brush strip 40 mm with straight aluminium profile - length 1 m

from **22,24 EUR**

Item no.: 373614
shipping weight: 0.30 kg
Manufacturer: Delock

Product Description

This brush strip by Delock can be used to seal doors, windows, gates or roller shutter boxes. The flexible brushes prevent the ingress of dust and dirt and keep draughts out. Easy to install and can be shortened as required. The brush seal can be attached with screws using a mounting adhesive or double-sided adhesive tape. The aluminium retaining profile is cut to the desired length using a metal saw.
