📄 Product Description

This brush strip by Delock is suitable for installation in a 19? network cabinet.The special feature of this brush strip is that no tools are required for installation in a network cabinet. The integrated mounting clips can simply be pushed outwards, which locks the panel in place.The network cables are simply fed through from the front to the back, so that the cables inside the network cabinet are not visible and the network cabinet leaves a tidy overall impression.The nylon brushes included prevent the ingress of dust and dirt.
