

Item no.: 372179

47019 - Slim Bay removable frame for 2 x 2.5" U.2 NVMe SSD

from **178,87 EUR**

Item no.: 372179
shipping weight: 0.50 kg
Manufacturer: Delock

Product Description

This sturdy metal removable frame by Delock can be installed in a free 5.25" slot of a PC using an optional frame. It is also possible to use the removable frame directly in a server rack or 19" storage housing. The special mechanism allows the SSDs to be replaced quickly and easily. For example, data backups can be removed and stored in a safe place. The removable frame has a key lock to ensure that only authorised persons can remove the hard drive. The sturdy metal support has springs on the top and bottom to minimise vibrations.
