

Item no.: 383015

80359 - Netzwerkkabel RJ45, U/UTP, 1m, white

from **4,10 EUR**

Item no.: 383015
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This network cable by Delock can be used to connect various network devices, e.g. a network card with a switch or patch panel. The thin patch cables are characterised by their small cable diameter and enable flexible and space-saving cabling in the network cabinet. The robust RJ45 plug is ideal for industrial applications where the plugs have to be plugged in and unplugged frequently. Compared to conventional plugs, the industrial plug can be plugged in and unplugged up to 2,000 times without the latch being bent or breaking off.

Specification- Connections: 1 x RJ45 plug 1 x RJ45 plug- Cat.6A specification- Data transfer rate up to 10 Gbps- Bandwidth: 500 MHz- U/UTP- RJ45 plug with robust latching nose- Up to 2,000 mating and bending cycles- Slim- Wire cross-section: 28 AWG- Contacts gold-plated: 50 µm- Cable diameter: approx. 3.6 mm- Operating temperature: -20 °C ~ 60 °C- Cable sheath material: LSZH (halogen-free)- Colour: white- Length: approx. 1 m System requirements- One free RJ45 socket Package contents- RJ45 cable Packaging- Resealable bag
