

Item no.: 327371

ZIPEPOWER - Power Extension Module (for Zipabox2)

from **129,88 EUR**

Item no.: 327371
shipping weight: 0.20 kg
Manufacturer: Zipato

Product Description

Zipato Power Extension Module (for Zipabox2)

The Power Extension Module expands the Zipato Zipabox2 with support for electric circuit measuring. It measures power consumption of up to four channels through current clamps (not included) that attach to its power cables. The Power Module reports measurements to the cloud server where customers can visualize and analyze their energy consumption and can use real-time measurements to create their own energy saving rules by using Zipato Rule Creator.

Features:

- Enables electric circuit measuring with the Zipabox2
- It measures power consumption of up to four channels through current clamps (not included)
- Reports measurements to the cloud server (visualization and analysis of energy consumption)
- Available Port for additional modules
- Article Dimensions (WxHxL): 55 x 86 x 48 mm
- Article gross weight: 0.155 Kg
- WEEE
- CE
