

Item no.: 358031

Zigbee gas sensor

from **34,54 EUR**

Item no.: 358031
shipping weight: 0.50 kg
Manufacturer: Heiman

Product Description

The HEIMAN Zigbee gas sensor protects you against this by reliably warning you of leaking gas when a defined limit value is exceeded. With the alarm (75 db at a distance of 1 m) you are warned in good time to track down the leakage or to bring yourself and your relatives to safety. The reliable gas sensor detects all flammable gas types and is highly recommended for use in the kitchen or boiler room.

- Zigbee gas sensor for combustible gases
- Suitable for indoor use
- Low power consumption (<1.5 W)
- Alarm with 75 db (1 m distance)
- Zigbee router function
- Power supply: 100 - 240 V (type C)
- Radio technology: Zigbee 3.0
