

Item no.: 358101

3G USB stick for backup internet connection

from **43,31 EUR**

Item no.: 358101
shipping weight: 0.50 kg
Manufacturer: Zipato

Product Description

The Zipato 3G USB stick can be connected to the USB port of a Zipabox expansion unit (backup module, security module, serial module) to provide the ZipaBox with a backup Internet connection to the Zipato Cloud Servers. The Zipato 3G USB stick can be used with any 2G/3G SIM card that supports dual-band, tri-band or quad-band SIMs. Simply connect a backup or security module to your Zipabox and store your PIN/APN and a connection setting in your Zipato account.

- Item dimensions (WxHxL): 27 x 12 x 90 mm
