

Item no.: 313858

2-Pack RP-SMA Jack Pigtail (Reverse Polarity) to MMCX, 18cm, LLC100

from **12,70 EUR**

Item no.: 313858
shipping weight: 0.10 kg
Manufacturer: PC Engines

Product Description

RP-SMA Jack Pigtail (Reverse Polarity) to MMCX, 18cm, LLC100, 2-Pack ~~HDF / LLC 100~~: With a 5.4mm outer diameter, the low-loss LLC100 is similar in thickness to the RG-58 cable. However, this high-frequency cable is characterized by an extremely low attenuation of 50 dB / 100 m at 2.4 GHz. Like most high-frequency coaxial cables, the LLC100 has an impedance of 50 ohms and an inner conductor designed as a stranded wire. The dielectric of this high quality RF cable consists of air cell foam. As an RF connector, the N connector, SMA connector and TNC connector can be used. Technical data:

- MMCX to RP-SMA Jack RP Pigtail
- Cable length: 18 cm
- LLC100 Low Loss cable
