📄 Product Description

QuPoE Switch SCA6E v2, PoE switch powered by PoE PSU
PoE switch dedicated to power:

- 1x Teltonika RUT230/RUT240/RUT900/RUT950/RUT955
- 4x CCTV cameras with active PoE 802.3af/at

Properties

- 1x passive PoE input 44-60V to power the switch
- 1x passive PoE output 24V up to 7.2W for router/AP
- 4x active PoE 802.3af/at to power up to 4x CCTV cameras

Please use QuPSU P561 passive PoE power supply to power the switch (QuPSU P561 is offered separately).
QuPoE switch SCA6E v2 is not dedicated to power routers/APs with higher power consumption (for example RUTX09, RUTX11).
