Product Description

MC-876 - Wall Brackets, foldable, black, 50 kg

Universal, foldable wall brackets, allowing you to mount a shelf* on them. The set withstands loads up to 50 kg. An ingenious, convenient mechanism allows you to fold the brackets and lower the shelf to a vertical position, so you can save space in a demanding situation.

The brackets are very easy to install and use, they were made of very durable materials which ensure their durability and reliability of use.

*The shelf visible on illustrative photographs is not part of the set.
