shipping weight: 0.40 kg

Manufacturer: Maclean Brackets

Product Description

A high-quality, rechargeable torch with an XM-L-T6 LED. Ideal for hiking, camping, fishing trips or walks in the forest. The built-in 3 rechargeable batteries with a total capacity of 4500 mAh provide up to 8 hours of operation. The torch can be charged using the micro USB cable supplied when connected to the USB port of a PC, laptop or mobile phone charger. The power bank function allows you to charge your mobile phone, smartphone or tablet via the torch's USB port.
