from **15,87 EUR**

Item no.: 382199
shipping weight: 2.00 kg
Manufacturer: Maclean Brackets

Product Description

The practical MC-851 trolley on wheels is designed for computers weighing up to 10 kg. This allows you to move your computer around easily and also gives you easier access to the ports on the back of your computer. The perfect solution for better organisation both at work and at home. Thanks to the width adjustment from 119 mm to 209 mm, the trolley can be adapted to most computers. Inside the trolley there are protective sponges that prevent the case from being scratched. Integrated wheels make it easier to move the computer and allow quick access to the ports on the back of the case. 2 wheels are equipped with locks. Wheels are equipped with locks that block the trolley. Specification- Length: 260 mm- Width adjustment: 119 mm - 209 mm- Height: 128 mm- Maximum load: 10 kg- Protective sponges- 4 wheels (2 wheels with position lock) Set includes- MC-851 CPU computer holder on castors- Manufacturer's packaging- A proof of purchase Features- Width adjustment from 119 to 209 mm- Perfect solution for better organisation under the desk- Maximum load: 10 kg- Sponges protect the case from scratches- 4 sturdy wheels for easy transport- Possibility to lock 2 wheels- Good quality
