Product Description

High-quality, height-adjustable tripod, ideal for users of smartphones, sports cameras, small video cameras and digital cameras. Its design enables stable placement on uneven surfaces, which guarantees high quality photos and videos. Thanks to its small size, the tripod can be taken practically anywhere, which is an ideal solution for travellers. The set also includes a cover. The tripod is equipped with a 1/4-inch photo screw, which makes it easy to mount a camera or camcorder with a mount of this size. In addition, a smartphone with a width of 55 to 85 cm can be attached to the supplied mount. The adjustable height allows you to customise the tripod to your individual needs so that you can take perfect shots in any situation.
