**from 5,83 EUR**

Item no.: 381978  
shipping weight: 0.40 kg  
Manufacturer: Maclean Brackets

### Product Description

High-quality, energy-saving and reliable light source with a long service life. The IP65 tightness class protects the device against moisture, meaning the floodlight can also be used as an outdoor light. The adjustable handle allows you to adjust the lighting angle. An ideal solution for illuminating entrances, driveways, patios, garden paths, courtyards, workshops, warehouses, garages, cellars, car washes and other places with increased humidity. Technical specifications- Power supply: 220-240 V- Mains frequency: 50/60 Hz- Tightness class: IP65- Light colour: Warm white- Colour temperature: 3000 K- Power: 20 W- Luminous flux: 1600 lm- Service life: 50000 hours- Number of on/off cycles: 20000- Beam angle: 120°
