shipping weight: 0.20 kg
Manufacturer: Maclean Brackets

Product Description

High-quality M.2 SSD hard drive enclosure made from aluminium. Compatible with discs measuring 2230 / 2240 / 2260 / 2280 mm. Thanks to the use of Plug & Play technology, the drive is ready for use immediately after connecting to a USB port, without the need to install additional drivers. The aluminium housing ensures excellent heat dissipation, durability and safety. Thanks to its compact design and low weight, the hard drive enclosure is ideal for use on the go. The mounting accessories included in the set allow you to quickly and easily install the drive in the enclosure. Specification- USB 3.0 to M.2/NGFF SSD enclosure/adaptor- USB 3.0 data transfer speeds of up to 5 Gbit/s- Backwards compatibility with USB 2.0, USB 1.1- Supports high-speed SATA III / 6 Gbit/s- Suitable for M.2 SSD drives: 2230 / 2240 / 2260 / 2280 mm- Plug & Play - no driver installation required- Compatible with PC/MAC computers- Aluminium housing- Power supply via USB port- Indicator light showing hard drive operation- Not compatible with M.2 PCIe/NVMe SSDs Set includes- M.2 SATA Maclean MCE582 SSD enclosure- USB 3.0 cable- Mounting accessories- Manufacturer's packaging Features- External SSD drive enclosure- Compatible with M.2 SATA SSDs- Supports high-speed SATA III / 6Gb/s interface- Support for 2230/2240/2260/2280 mm drives- USB 3.0 data transfer speeds of up to 5 Gbps- Powered via USB port - no additional power supply required- Plug & Play - no driver installation required- Aluminium enclosure ensures durability and safety- Indicator light that shows hard drive operation
