Product Description

Maclean MC-681 - VESA Monitor/TV Holder, 13-32", black, 9 kg

Universal holder for monitor and keyboard with the possibility of mounting it to a desk top, table or hole for wires. Holder for monitors from 13" - 27" with a maximum weight of 9 kg. The handle is made of the highest quality metal (combination of steel, pressure-molded aluminum and plastic) in black, the elements of the handle were perfectly matched, providing a stable and safe support for the monitor and keyboard.

Changing the position from sitting to standing provides great comfort at work and optimizes ergonomics. The arm is made of high quality aluminum - it has been equipped with a durable mounting bracket that enables fixing it to the table top or other flat surfaces. Perfect to use in the office and at home - without the need to drill holes in desks or walls. The holder is also compatible with curved monitors.

- Maximum load: Up to 9 kg
- Inclination adjustment from +90° to -90°
- Keyboard stand
- Minimum/maximum horizontal spacing: 75/100 mm
- Minimum/maximum vertical spacing: 75/100 mm
- Adjustable distance of the monitor from the center of the tube
- Solid aluminum construction, very easy assembly
- High quality
- Can be mounted on a desk or table top
- Powder coating (black)
- Intended for TVs from 13" to 27" (or larger if their weight does not exceed 9 kg and the VESA standard is compatible with the handle)
- Includes a set of mounting screws and for screwing on the monitor
