

Item no.: AF-11FX-DUP-H

AF-11FX-DUP-H - airFiber High-Band Duplexer Accessory

156,53 EUR

Item no.: AF-11FX-DUP-H
shipping weight: 0.20 kg
Manufacturer: Ubiquiti

Product Description

Ubiquiti AF-11FX-DUP-H - airFiber High-Band Duplexer AccessoryThe AF11FX features a unique modular duplexer design to suit multiple frequency configurations. Each AF11FX radio can be configured to support any allowable frequency by simply changing the duplexers for highband or lowband use in the 10.7 - 11.7 GHz allocation.Each duplexer has a low channel and a high channel that can be configured by simply reversing the position of the duplexer.

Channels

- Low-Band Duplexer
 - Low Channel: 10.700 to 10.955 GHz
 - High Channel: 11.200 to 11.445 GHz
- HighBand Duplexer
 - Low Channel: 10.940 to 11.200 GHz
 - High Channel: 11.440 to 11.700 GHz

Connectors

- (2) SMA male
- (1) N female
