📄 Product Description

FlexHD-CM-3 - Ceiling Mount for UniFi FlexHD
Recessed ceiling mount accessory for the UniFi FlexHD access point. Mount the UAP-FlexHD to a drop ceiling tile, drywall ceiling or solid ceiling for discreet, low-profile appearance. Sliding retainer with locking threads and a snap-in mechanism for the UAP-FlexHD make mounting simple. Magnetic face place hides the bracket for a stylish finish.
<u>Features:</u>

- Low profile (2, 51 mm), discreet ceiling installation
- Guided snap-in locking mechanism for UAP-FlexHD
- Adjustable, sliding retainer for mounting without screws
- Magnetic 3 1/3 inch (85 mm) face plate
- Requires 2 1/8 inch (54 mm) cutout
- Includes drywall mounting hardware and anchors
