📄 Product Description

UACC-Cable-Patch-Outdoor-5M-BK - UISP Patch Cable Outdoor, 5 m, black
The UISP Patch Cable Outdoor is an all-weather patch cable designed for outdoor UISP deployments that require enhanced protection from the elements. It features a shielded RJ45 plug, internal foil shielding, and a built-in ESD drain wire—all encased in a weatherproof, insulating jacket. The UISP Patch Cable Outdoor is available in multiple lengths (1, 2, 3, 5, and 8 meters) to ensure that you can reach all of your devices.
