Product Description

The high-quality MC-836 laptop holder is designed for mounting on a desk or wall monitor mount with the VESA 75x75 or 100x100 standard. This solution saves space on your desk and by mounting it on a height-adjustable mount, you can create a professional workstation for standing and sitting work. The adjustable length of the arms allows you to adapt the mount to any laptop with a screen diagonal from 11" to 17". Integrated limiters and straps attached to the mount ensure the safety and stability of the mounted laptop. Specification- Dimensions: 320 x 236 x 58.5 mm- Compatible with laptops with a diagonal screen size of 11" to 17"- Maximum load: 4 kg- Powder coating- Black colourSet includes- Maclean 11"-17" MC-836 laptop desk mount- 2 mounting straps- Instructions- Manufacturer's packaging- A proof of purchaseFeatures- Compatible with wall and desk mounts with the VESA standard: 75x75, 100x100- Suitable for laptops with a screen diagonal from 11" to 17"- Maximum load: 4 kg- Good quality- Very easy assembly- Two mounting straps provide more security and stability
