Product Description

Maclean MC-693 S Cover stripA cover strip that can be used to aesthetically conceal the cables that connect AV devices. The strip is made entirely of aluminium, is powder-coated with semi-matt black lacquer and has a trapezoidal cross-section. The strip consists of two elements and can be attached to the wall with screws. Technical specifications- Strip length: 750 mm- Width: 60 mm- Height: 20 mm- Very easy and quick cable installation- Fixing to the wall with expansion plugs- Possibility of shortening (by cutting)- Silver colour- Powder coated- Very high quality finish- The set includes a set of wall mounting screws and Polish installation instructions- We recommend system connectors for strips, which you can use to connect strips.
